Phone: 724-774-3003 • 8:30 a.m. to 5:00 p.m. Monday through Friday

Our office is located in the **KINGS COURT BUILDING** on the Second Floor above King's Pool and Spa in Monaca, just south of the East Rochester Bridge along Route 51. We are located approximately 4 miles from the Route 60 interchange. There is an elevator inside the front building entrance.

From the Pittsburgh International Airport

Take PA Route 60 North (toward Beaver) to Exit 12 (Monaca/Shippingport); stay right onto PA Route 18 North.

◆ At the second traffic light at top of hill, turn left and stay in right lane. Continue straight through all traffic lights down the hill past Walmart and Lowes plazas. At the bottom of the hill after the train underpass, stay to the right and continue straight through all traffic signals through the town of Monaca toward Route 51 South.

🚗 **You will enter the construction zone as you pass Moor Industrial Park on the left and Rome Monument on the right. Be aware that the construction zone speed limit is 25 MPH, and the Monaca Police Department does an excellent job of ensuring the safety of the construction workers! As you go up and over the gray, rusty railroad overpass, you will see the KINGS COURT sign just ahead on the right. Just before that sign, you will need to make a right turn between construction barrels to the lot.**

All parking areas of the building are available during construction. If you park in the front, take the stairs or elevator to the second floor, walk to the back of the building and all the way down the long corridor on the right. If you park in the far right side lot, enter through the side door. Our office entrance is immediately on your right; take the stairs up to our office.
